### STOMACH UPSET?

Get At the Real Cause—Take Dr. Edward's Olive Tablets.

That's what thousands of women suffer from are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailments—clogged liver and disordered bowels.

Dr. Edward's Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach trouble.

If you have a bad taste in your mouth, tongue coated, appetite poor, lax, don't care, feeling no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for cathartics.

Dr. Edward's Olive Tablets are a pure vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, or you can eat them any time. At 10c and 25c per box. The Olive Tablet Company, Cincinnati, Ohio. All druggists.
